The Art Portfolio (Hardback, 11x13inches)

The one that contains your children's beautiful drawings and messages, where possible edited to look like they have been drawn right into the book. This book will take pride of place on your coffee table for many, many years to come.

Prices upon request (depends on number of pieces of art). For this book, I will need the physical drawings that you would like to use in the book. I will scan them in myself and return them to you along with the printed book once it's done, that is if you want them back. These books involve plenty of work and therefore may take longer to create than the regular photobooks. Your patience is appreciated.

- Capacity may vary as it depends on what is going into the book. Maximum 400 photos per book.
- Prices include design, printing, and delivery.
- Price of additional copies is for a 20-30 page book. Additional pages charged at 25aed per 10 pages.
- Physical photos can be scanned by BIAB at 100aed per batch of 50. First 10 items included in book price.
- Books require approximately three weeks to be created, printed and delivered.
- For orders that are needed by a specific date that falls within less than one month of confirmation, a 50aed charge is added to upgrade shipping to ensure the book is with you by the required date.
